

TWSS26-13

Code: LB16GVW POM BUCKLE PLUG & WHISTLE  
LB16GVA POM BUCKLE SOCKET & ADJUSTER

# Single Release Whistle Buckle with Tri Bar Adjuster

1. The unique spring design provides higher durability and soft release feature. It also has the whistle function for the plug part and combines with the loop adjuster for the socket portion.
2. YKK's engagement system provides high tensile strength.
3. LB-GV\* series is bluesign® approved and POM material is GRS certified.

**Conventional product**  
<YKK comparison>

**BUCKLE**

**Tri Bar Adjuster**
