

Code: VYXMOVOL-59 DS5YG3 C5 PB14 BN-ANTI GREEN-F KENSIN LF-HOL NEWKOB4

bluesign® Approved METALUXE® NATULON® with Mirror Like Finish Elements

1. METALUXE® is now also available for bluesign® approved! Selected YKK products are available for bluesign® approved including zipper and plastic hardware. bluesign® approved item (code: BN-ANTI) is cost neutral with standard/NATULON®.
2. Selected TPU and POM pullers are now also available for bluesign® approved. Please contact your YKK representative for additional information on bluesign® approved items.
3. The METALUXE® zipper is a VISLON® zipper that features a slimmer element shape and metallic element to achieve an elegant & luxurious metal look, with less weight as it uses plastic material instead of metal!
